Coach Scott Jones

The Trevecca Volleyball team dedicates the 2008-2009 season in memory of former Trojan volleyball coach Scott Jones, and the “lasting legacy” he left on the program. Jones died suddenly in June, while preparing for his twelfth season at the helm of the program.

During his 11 years in command, Jones led the program to new heights, amassing 229 victories, four 20-win seasons, and three 30-win seasons. He was named coach of the year in 1998 and saw his players earn all-conference honors 25 times and all-region honors 13 times. Twice he had players named NAIA All-Americans. Scott’s successes were not limited to the court, his players tallied a combined 3.4 grade point average (GPA), with upperclassmen achieving a 3.6 GPA.
